

Meeting Minutes Timber Trail PTO December 6, 2021 – Via Zoom

Intro – Jessie thanks Lindsey Gertz for her effort to provide the teachers with food during conference week. Thank you to Dawn for heading up the Holiday Giving Project.

Principal Update – Michele thanks the PTO for the gift cards, conference lunches, and snacks. The Trail of Lights at the Ridge Golf Course was decorated by the students. All students have also decorated cards for the Legacy Village residents. Friday (12/10/21) is the Timber Wolf Trot prize of an additional PJ day.

Operation Elf email went out last week. The 3rd Grade adopted a family. It's a single mom with 9-year-old triplet boys, one with cerebral palsy, and a 7 year old daughter as well. We decided to open it up for cash donations. The Apple Awards went out last week. Nominations are welcome for outstanding teachers and principals throughout the district until 12/17/21 and nominations are accepted via email or video.

Kindergarten registration is open with no end date. The sooner you register the better because this helps the school plan ahead. Tell your neighbors.

Denver Nuggets – The date of this event is February 26, 2021 at 7pm. The price range would mid-range, so we will be in the upper end balcony at \$22-\$26 per seat. We will mark up in order to be a fundraiser. We will put down our deposit soon. Families will get the information after the holidays.

Red Envelope/Holiday Giving Program – Last week we had only 20 red envelopes. We are sending out PTO emails reminding families to turn these in. Wednesday (12/8/21) the PTO will start counting the funds. The remainder will be counting Friday (12/10/21). Claire volunteers to count also if we need assistance. Michele asks for the date and time so we can have a space.

Daddy Daughter Dance (DDD) – So far, we have two volunteers for the dance. There is still no chairperson. Kelly suggested that we separate the PTO emails so that information doesn't get so long that people stop reading. If we can't find a chair, the PTO will divide the tasks up as the board to make it happen. Claire reminds us that we need donations for the dance soon. Amy says we should talk to the chairs in the past for the DDD, so we know what the job description is. Kim Domingez did it the last time and Amy can provide her contact information. Jana asks if an auction has to be done and instead could it be like Kick Ball where the ticket price is the fundraiser. Claire states that the girls love the auction, but we could consider a separate adult auction in the future. Tickets for this event will be purchasable on My School Bucks.

Spirit Wear – Amanda Quam headed this up. The total of sales was \$4,754. It is unsure how much money was made but we will find out what goes back to the school soon.

Dinner Fundraiser - Chipotle will host our dinner out fundraiser January 19th

Website Update – The DDD information has been updated. It is discussed what website was used previously for the auction. Rally was used for bidding not Hand Bid. Leah said she is updating the teachers' favorite things on the website. We are working on a new website release in May and the registration will be upgraded on the website. Once you are registered, parents can friend each other and communicate so it can be interactive.

Class Party – Cristina provides a reminder that holiday parties will be next week and will be run by the teacher. The date and time will be up to them.

Secretary – Meeting minutes from November are approved and available on the PTO website.

Closing – Thanks for joining us. See you in January.
